

BILLY NUNN, A LEGENDARY B3 ORGAN, AND KEYBOARDIST FROM BUFFALO N.Y., LIVING IN LAS VEGAS, BILLY IS PERFORMING IN VENUES, IN THE USA AND INTERNATIONALLY.

Billy is presently working with Sherry Gordy's project, (Sherry Gordy Presents "TAKE THE STAGE") in Las Vegas. Motown's Founder and Legend Berry Gordy was there as his daughter Sherry Gordy gave special thanks and 2014 Life Time Achievement Award to Billy Nunn.

It was the song by The Great Legend Jimmy Smith on Hammond B3 Organ "A Walk on the Wild Side", it sparked a fire in Billy's soul. He started playing in his senior year at Hutch Tech Senior High School in Buffalo New York. Smith's and Mc Duff's style, as well as other great Hammond B3 organists that inspired Billy paid off. Billy Nunn has earned his place in history as one the most gifted and versatile B3 Organist and Keyboardist of all times. Awarded legendary twice in Las Vegas for over 40 years of bringing music to the world. Billy Nunn recorded with Motown, Columbia, MoDo, Solid State, Milestone, and Virgin Records, also on several independent labels, he is a living legend.

Billy Nunn's can still be heard today on radio, movie sound tracks, TV series, and more internationally. A few examples: Award winning Billy Nunn was born to be an entertainer, sharing his gifted talent and unique style in, music, and even acting, (1984 made for TV movie "*The Seduction of Gina*" with Valerie Bertinelli), The Annual Bern Switzerland Jazz Festival, and much more. Softtones Album "YOU GO YOUR WAY" (Billy Nunn Co-Writer), Splendor Album "ALL NIGHT LONG" (Billy Nunn Co- Writer along with Bobby Nunn and Philip Bailey (EWF), Rick James' Album "Come and Get It", (Billy Nunn Co-writer of hit song "Mary Jane"). Billy received a Gold Album for his work on the "Come and Get It" album and a Platinum for "Mary Jane".

In 2004 Rick James wanted more of that Billy Nunn flavor from his first album. Rick and Billy started rounding up a few former Stone City Band members along with Teena Marie's then drummer for a New CD and reunion tour. One week before the first rehearsal in August 2004 Rick James life ended. In early 2005 a reunion concert was giving in Rick's Memory The New SCB CD with that Billy Nunn flavor, Rick James' last request will be released soon, taking the funk to the future...

Billy Nunn is well seasoned, "Jan's Supper Club", where he studied legends of today performed, in Buffalo, New York, owned by his father, (William Nunn Sr., a great singer, sax player, founder of MoDo Records and Alltrue Publishing). Released recordings of his sons (Billy and Bobby Nunn) some of which being used as sound tracks in, Tyler Perry, movies and more.

Past, present or future Billy Nunn's swagger, style of Jazz, and Funk with that twist of Latin, will be enjoyed by many internationally.
